Ellesmere Port Music Society

'CHORAL SINGING FOR ALL'

ABOUT THE CHOIR:

With members from Cheshire, North Wales and the Wirral we aim to provide a friendly and welcoming atmosphere, regular concerts and social and fund-raising activities.

The music director, Lloyd Buck, skilfully trains a wide range of singing abilities to meet the Society's reputation for providing high-standard, entertaining and challenging concerts.

The Choir's repertoire includes an extensive span of choral music from Monteverdi to contemporary composers such as Karl Jenkins and Lloyd Buck. Concerts are usually held at Ellesmere Port Civic Hall offering comfortable facilities, refreshments and bar, and ample free parking.

In recent years funding by grants has become very difficult to obtain and the cost of holding concerts is far more than we can hope to make by selling tickets and collecting subscriptions from our members. This has meant that we rely on the generosity of our private patrons and commercial sponsors, along with what very limited grant funding we can obtain, to make ends meet.

By choosing to be a private patron or commercial sponsor you will be helping EPMS to advance their core objectives of promoting classical music education and concerts.

Visit www.epmsonline.co.uk for more information about EPMS and future concerts.
